

Acceptable Majors for WSGC Scholarships

The following is a list of preferred UW majors that are acceptable for Wyoming Space Grant Consortium (WSGC) Scholarships. These scholarships include:

1. The Community College Science, Technology, Engineering, and Math (CC STEM) Scholarships
2. The Community College Transfer (CCT) Scholarship

This list is not all-inclusive, there may be some majors not listed that would still be considered “acceptable”, if your major is not listed, but you think it should be applicable, please contact the WSGC office (307-766-2862 or wsgc@uwo.edu).

College Abbreviations:

AG: College of Agriculture

ED: College of Education

GRAD: Graduate School

AS: College of Arts and Sciences

EN: College of Engineering

HS: College of Health Sciences

Majors Acceptable for Wyoming Space Grant Scholarships
Agroecology (AG)
Agronomy (AG)
Animal and Veterinary Sciences (AG)
Anthropology (AS)
Architectural Engineering (EN)
Astronomy/Astrophysics (AS)
Atmospheric Science (EN)
Biology (AS)
Botany (AS)
Chemical Engineering (EN)
Chemical Engineering (petroleum) (EN)
Chemistry (AS)
Chemistry Professional (AS)
Civil Engineering (EN)
Computer Engineering (EN)
Computer Science (EN)
<i>Dental Hygiene (HS) [this major is OK for CC STEM scholarships, but not for the CCT scholarship]</i>
Earth Systems Science (affiliated major, interdisciplinary)
Education (ED) – any degree in aimed at Science, Math, or Technology teaching
Electrical Engineering (EN) – any variation is allowed
Entomology (AG)
Environment and Natural Resources/(affiliated major)
Environmental Engineering (EN)
Environmental Geology/Geohydrology (AS)
Geography (AS)
Geology (AS)
Geology and Earth Sciences (AS)
Geophysics (AS)
Health Sciences (HS)
Kinesiology and Health Promotion (HS)
Mathematics (AS)
Mathematics/Science (AS)
Mechanical Engineering (EN)
Microbiology (AG, AS, and HS)
Molecular Biology (AG)

Majors Acceptable for Wyoming Space Grant Scholarships
Natural Science (AS)
Neuroscience (AS and GRAD)
Nursing (HS)
Petroleum Engineering (EN)
Pharmacy (Professional) (HS)
Physics (AS)
Physics Plus (AS)
Psychology (AS)
Rangeland Ecology and Watershed Management (AG)
Reproductive Biology (AG and AS)
Self-Designed Major (AS) [as long as it has a Science, Math, Engineering, or Technology emphasis]
Soil Science (AG)
Statistics (AS)
Wildlife and Fisheries Biology and Management - Professional (AS)
Zoology and Physiology (AS)
