

WIMSE

WiMSE is a mentoring network of women in all STEM-related fields and welcomes undergraduates, graduate students, postdocs, faculty, and staff
WiMSE is women-led, but welcoming to everyone

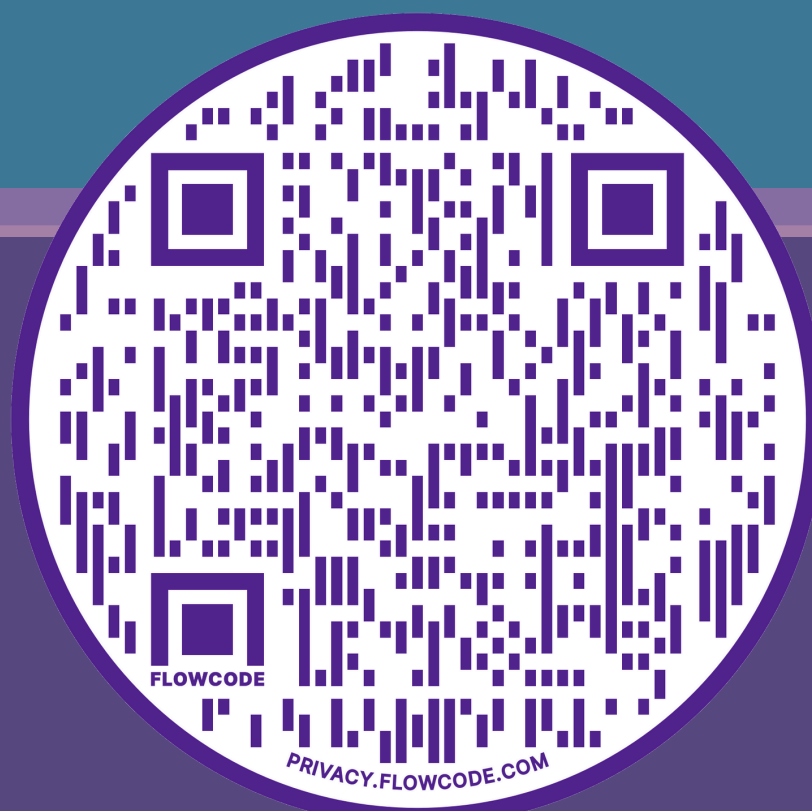

SPRING 2025 EVENTS

- **Thursday, February 6th, 8:30-9:30am: Coffee and Conversation** Start your morning off with coffee/tea and a breakfast goodie while you meet other women in STEM! (Hosted by Wyoming INBRE), Engineering Education & Research Building lobby
- **Thursday, February 20th, 5:30-7:30pm: Own It! Celebration** A networking event hosted by Women in STEM (all are welcome!) featuring a short speaker presentation, 'speed' networking, heavy hors d'oeuvres, and childcare, Engineering Education & Research Building lobby (**RSVP at tinyurl.com/RSVPOwnIt2025**)
- **Thursday, March 6th, 8:30-9:30am: Coffee and Conversation** Start your morning off with coffee/tea and a breakfast goodie while you meet other women in STEM! (Hosted by Wyoming INBRE) Engineering Education & Research Building lobby
- **Tuesday, March 11th, 12:20-1:10pm: Path to Professorship: "So You Wanna Be in Academia?"** Learn what it takes to become a university faculty member from a panel of accomplished women on campus. Topics to include: what's tenure? What are start-up costs? How do you setup/name a lab? How do you run a field season? The STEM Sandbox (Science Initiative Building 4003)
- **Wednesday, April 9th, 12-12:50pm: STEM & Sprout: Growing Together!** Unwind and dig into some fun! Join WiMSE for a lunch break filled with good vibes, great food, and a chance to plant your very own take-home greenery—because growth isn't just for gardens! The STEM Sandbox (Science Initiative Building 4003)

The WiMSE RSO (registered student organization) will also sponsor events throughout the semester!

Consider joining the WiMSE RSO!
